DCP-145C

Perfectly suited for all your basic needs, Brother's stylish DCP-145C incorporates a colour printer, copier, and scanner into a single compact machine.

DCP-145C's flatbed design makes it the perfect solution for confined spaces and for scanning and copying bound documents and books. With high quality colour print capability and up to 1,200 x 6,000 dpi in print resolution, you will be able to print amazing photos and colourful documents in the comfort of your own home.

Furthermore, its economical and cost-saving 4-cartridge ink system means you only replace the colours you need, while printing borderless photos directly via the USB connection and PictBridge™ interface gives you convenience and ease-of-use. Bundled with the FaceFilter software, you can adjust skin tones, remove skin blemishes and correct red eyes for perfect pictures every time.

Packed with nifty tools for your digital lifestyle needs, there is always a Brother at your side.

- 1 Print & scan directly from/to a USB flash memory drive (supports up to 8GB). Brother does not guarantee the compatibility of all brands of USB flash drives.
- 2 When used with Brother BP71 photo paper - see Consumables section
- 3 Approximate page yields in accordance with ISO 24711. The supplied ink will be lesser due to initial purging.

For more information regarding system requirements, please visit <http://solutions.brother.com>

Brother strongly recommends the use of genuine Brother consumable products only. Benefits include better quality prints, greater yields per consumable, protection of your machine from damages and achievement of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine consumables.
