Stay Connected 
with Brother's Fax Easy!

The Fax Easy Series **FAX-837MCS**

The smart fax with hands-free calling and Digital Message Centre.

- ✓ Easy-to-use
- ✓ Enhanced Features
- ✓ Built-in Digital Answering Machine

Easy-to-use Fax Machine with Advanced Features for the Home and Small Office

For many households and small businesses, facsimile remains an indispensable communications tool. Brother's top-end model of the Fax Easy series: FAX-837MCS is an easy-to-use fax, phone and Digital Message Centre packed into an incredibly small frame.

FAX-837MCS connects you to family members locally and overseas with a range of communications options – be it fax or phone! It comes with advanced features that makes handling a breeze. Anyone in the family can now use a Fax Easy to stay connected.

In addition, Fax-837MCS brings you closer to your business partners, suppliers and distribution channels, making the sharing of invoices, bills and documents quick and easy.

Brother's Fax Easy series delivers an easy-to-use, attractive and space saving solution to meet all your facsimile needs.

Cool Tools

Besides being a thermal fax, FAX-837MCS comes housed with a string of cool tools to handle a multitude of tasks, providing flexibility and convenience for a busy office and household.

Some of these great additions include:

✓ Fast Fax, More Memory

FAX-837MCS comes with a G3 14.4K bps modem that ensures fast transmission speed of 9 sec*. It comes with increased memory capacity to save incoming fax transmissions of up to 20 pages!

✓ Simple Advanced Dialling

FAX-837MCS allows you to pre-set 100 speed dial buttons and even broadcast to 104 locations! You are also able to store up to 4 group dials, making the sending of bulk messages easier.

✓ More Fax Features

FAX-837MCS comes with remote access, fax forwarding and fax retrieval features for the more advanced users to manage demanding fax requirements!

✓ No More Page-by-Page Faxing!

FAX-837MCS comes with Automatic Document Feeder (ADF) that allows you to hold up to 10 pages while waiting for the transmission to go through.

✓ Acts As A Copier

FAX-837MCS is also a copier. You can make crisp, clear copies using the sheet-fed mechanism, as well as scale your copies from 50% to 150%.

Contact:

✓ Additional Handset

Why spend money on an additional phone? FAX-837MC is integrated with a handset, so that your fax machine doubles as a telephone! Furthermore, a high quality speaker for hands-free use, will facilitate a two-way conversation, delivering flexibility while you work.

✓ Digital Message Centre

Besides being an easy-to-use fax machine, Fax-837MC is also a full-featured Digital Message Centre with an integrated Digital Answering Machine. The illuminated Message Centre can record up to 60 seconds of incoming voice messages!

✓ Choose your tunes

The music-on-hold feature allows you to choose from 4 melodies and plays a soothing tune while you put your caller on hold, and the caller ID feature** makes call screening so much easier.

Support Services

Brother's comprehensive post-sales support services will give you peace of mind and confidence with your purchase decision. With the Fax Easy series, you can be sure that there is a Brother at your side.

Brother strongly recommends that our customers use Genuine Brother consumable products only. By using genuine Brother consumables, the benefits to you are: Better quality prints, greater yields per consumable, protection of your machine from damages, and be able to achieve optimum performance. Your machine warranty may not cover any damage arising from the use of non-genuine Brother consumables.
