FAX-827S

Brother

Stay Connected 
with Brother's Fax Easy!

The Fax Easy Series **FAX-827S**

The user-friendly fax with integral handset.

- ✓ Compact & Stylish
- ✓ Easy-to-use
- ✓ Integrated Telephone Handset

Easy-to-use Fax Machine with Advanced Features for the Home and Small Office

For many households and small businesses, facsimile remains an indispensable communications tool. Brother's newest in the Fax Easy series: FAX-827S is compact, easy-to-use, and packed with great features for your home and business needs.

FAX-827S connects you to family members locally and overseas with a range of communications options – be it fax or phone! It comes with simple-to-use advanced features that make handling a breeze. Anyone in the family can now use a Fax Easy machine to stay connected.

In addition, FAX-827S brings you closer to your business partners, suppliers and distribution channels, making the sharing of invoices, bills and documents quick and easy.

Brother's Fax Easy series delivers an easy-to-use, attractive and space saving solution to meet all your facsimile needs.

Cool Tools

You can be sure that with the new FAX-827S, faxing has never been easier, as it comes packed with advanced features for your convenience:

✓ **Fast Fax, More Memory**

FAX-827S comes with a G3 9.6K bps modem that ensures fast transmission. It also comes with more memory capacity to save incoming fax transmissions - up to 20 pages*!

✓ **Simple Advanced Dialling**

FAX-827S allows you to pre-set 100 speed dial buttons and even broadcast to 104 locations. You are able to store up to 4 group dials for even more convenience!

✓ **No More Page-by-Page Faxing!**

All machines in the Fax Easy series come with Automatic Document Feeder (ADF) that allows you to hold 10 pages of documents while waiting for the transmission to go through.

✓ **Acts as a Copier**

The Fax Easy machine also doubles up as a copier! You can make crisp, clear copies using the sheet-fed mechanism, as well as scale your copies from 50% to 150%.

✓ **Additional Handset**

Why spend money on an additional phone? The models in the Fax Easy series are integrated with handsets, so that your fax machine doubles up as a telephone too!

Support Services

Brother's comprehensive post-sales support services will give you peace of mind with your purchase decisions. With the Fax Easy series, you can be sure that there is a Brother at your side.

Brother strongly recommends that our customers use Genuine Brother consumable products only. By using genuine Brother consumables, the benefits to you are: Better quality prints, greater yields per consumable, protection of your machine from damages, and be able to achieve optimum performance. Your machine warranty may not cover any damage arising from the use of non-genuine Brother consumables.
